After that my husband Manmeet was admitted to IIT Powai Bainam As I want to do PHD course, I and my husband live at my parent's house at 5/C/4, Goodearth Hee, Society, Road no. 02, Sindhi Se City, Chembur, Mumbai 7 Stayed for 06 months. Manmeet's After completing P.H.D course, I and Manmeet went to Pur in December 2017. There we started living in a rented house in Mundhwa. We stayed there for five months. Then in May 2018 bought a 3 BHK flat at B/601, Marvel Matrix, Koregaon Park Annex, Mundhwa, Pune. My father-in-law Paramjit Singh had paid for the said flat. Also, a loan was taken in my and Manmeet's name. Also Manmeet asked me to bring some money from my parents. Then my father gave Rs. 5,00,000/- paid. I and my husband started living in flat. Manmeet started quarreling with me repeatedly that my father did not pay much amount to buy the house but only five lakh rupees. After two months my Deer Raunak aged 26 came to stay with us for his education.

I was doing my office work from home. My husband Manmeet started quarreling with me over the fact that I gave him my entire salary. I used to give them some of my salary. Also I was paying all the household expenses from my salary. Also, whenever we went out, if we spent some money, he would take half of the expenses from me. My husband often started fighting with me over money. But I was ignoring them. My Deer Raunak was joking with me. At that time I also did not pay attention to him. After that he started getting very close with me. Raunak used to put his hand on my shoulder and tickle my waist while I was working in the kitchen when my husband was not at home. I told him not to do that a couple of times. Still he used to be intimate with me. When I told my husband about this, he would let me off saying that he was doing it for fun.

My mother came to me on 26/07/2018 as it was my birthday. My mother cooked that day. My husband Manmeet abused her by fighting my mother over cooking. Then the next day my mother went back to Mumbai. After my mother left, Manmeet started arguing and quarreling with me everyday for any reason. He used to tell me that I don't want to talk to my parents, they teach me anything and that's why I fight with them. He blocked my parent's mobile number in his phone and asked me to block my number from my phone too. But I didn't block the number from my phone. check my phone every day when Manmeet came home and called my parents? If he wanted to see this and called me, he would abuse me and beat me up. Also he used to vandalize things in the house. Also, if Manmeet and I had a fight, he would take out his anger on me and have sexual relations with me against my will. When I refused, he used a sex toy to force intercourse with me against my will. Although I told him not to do so, he forced me to have sex four to five times against my will using a sex toy. After the onset of covid in June 2020, my husband asked me to go on a diet, telling me that I was too fat. I lost 13 kg weight by dieting at that time. Also, my Deer Raunak used to complain about me to my mother-in-law that I did not eat today, made less food, did not cook vegetables well, ordered food from outside. My mother-in-law used to call Manmeet and tell all these things. One day Manmeet quarreled with me that my mother-in-law was repeatedly complaining to

him against me. Then I told him that Raunak was complaining about me to his mother Manmeet got angry and hit my face with a water bottle. It got between both my eyebrows and blood started coming. At that time I took my photo and sent it to my friend Gopa Patwari who lives in Pune. At that time Gopa asked me to come to her. But at that time I could not go to her because of the lockdown going on everywhere due to covid. Due to frequent fights with me, I was in deep depression. So in July 2020 I started Online counseling Dr. with Anil Kulkarni. At that time Dr. Anil Kulkarni had talked about counseling me and my husband together but my husband Manmeet was not ready for it. It was in July 2020 that my health deteriorated due to depression. Then my husband admitted me to Ruby Hall Hospital, Hinjewadi, Pune for treatment. Then I was admitted in ICU for three days and general ward for two days. Before I was admitted to the hospital, I had paid Rs. 80,000/- was remitted. So I had only two to three thousand rupees left in my account. My hospital bill was one and a half lakh. Then Manmeet told me that he did not have money and asked me to take money from my father. Also he himself asked my father for money. But I called my father and told him not to pay. At that time, Manmeet paid the hospital bill with his credit card. After two months, I returned the money to Manmeet when I became mine. When I came home from the hospital, my brother came to pick me up and I came to Mumbai with me. I stayed with my mother for a month. Manmeet had received a scholarship from his office and was going to America for further education. So he didn't argue with me for a few months as he was all focused on his work. But one day when Manmeet and I had a quarrel over a minor reason, Manmeet in a fit of anger hit my right hand with the tip of a pen and at that time my hand was injured. Manmeet was scheduled to go to America in February 2021. So I told Manmeet about releasing Raunak to Delhi before leaving for America. At that time he did not listen to me and asked Raunak to stay with me. Manmeet had asked me for money before leaving for America. Then I gave him one lakh rupees. In February 2021, Manmeet left for America. After that only Raunak and I lived in the house. Raunak was in the habit of drinking alcohol. My housekeeper Chhaya told me about this and also told me that there is a bottle of liquor in Raunak's room. Also Raunak started trying to be very close with me. He used to say to me repeatedly, "Tumko yeh dress nahi lagti nahi lagti, tum hoda tight clothes kyo nahi pahanti, tumhari figar to abhi nahi hai. " I scolded him a bit on this. I also told Manmeet over the phone. But he told me to ignore him saying that he was joking. So I ignored him. However, Raunak often looked at me and said something obscene. Also, if I was in my room, he would come in my room without asking. When I was sleeping on the bed in my room, Devar would sleep next to me in the room. Even when I told Manmeet about this, he told me that he is my brother. I was told that it is the same.

In April 2021 I came to Mumbai to meet my parents and stayed there for two months. Meanwhile, Manmeet used to call me once a month. May 03 is his birthday so I sent him clothes but he didn't tell me anything about it on phone. Even when it was our wedding anniversary in July, he didn't call me. While in Pune I was worried that Raunak would do something with me. So I often used to come to my mother's house and stay for a few days. Also I told my mother about all the incidents that happened with me. In August 2021 I was in quarantine for 14 days due to covid when I was in Mumbai with my mother. At that time Manmeet called me and asked me to go to Pune saying that Raunak is living alone, he is

having trouble with his food. At that time I went to Pune after my covid report came negative. After going there, my health deteriorated again. As I was sleeping in my room as I had fever, Raunak came into my room and started applying cold water on my head saying that he would apply cold water on my head. Then moving his hand over my head he started moving his hand on my chest and moving his hand elsewhere on my body. I felt a different touch from him. At that time I sat up and said what are you doing to him? He asked and shouted. Then he left my room. I was calling my husband to tell all this. But at that time his phone was busy. After some time, my husband called me and told me that he has booked Raunak's ticket to Delhi. Then the next day Raunak left for Delhi. After Raunak left, I started living alone. Manmeet stopped talking to me on the phone. When he would call me he would only ask me for money or he would stay in America with his friend and friend's girlfriend Zona and talk about Zona on the phone. Manmeet used to ask me to take half of the loan and pay the maintenance and other bills as I live alone in that house. Manmeet returned to Pune from America in November 2021. The very next day after his arrival Raunak also came to Pune. At that time, Manmeet told about the incident between me and Raunak and said that Raunak will not do such a thing again. At that time I also forgave him and let him go. When Manmeet was in America, he called me and told me that he wanted to sell the house we were living in and he even sent people to see the house two or three times. When I refused to sell the house to Manmeet, he asked me Rs. 80 lakhs. But I told him I don't have that much money. Then he asked me to sell my jewelery and pay. I denied him that too. One bright night in January 2022, Manmeet brought the papers to sell the house and asked me to sign the papers. I refused him to sign the paper. At that time he beat me. After that the next day I mine

He left for his mother in Mumbai. Since then I have been living with my mother in Mumbai. Manmeet never called me or came to pick me up when I was with my mother. My father called Manmeet's father and invited him to Mumbai to talk. On 28 February 2022, Manmeet, his mother, father, brother Raunak came to my father's house in Mumbai. At that time my grandmother named Kamala Singh and my aunt named Dr. Nee Desle, uncle named Dr. Dyanesh Desale also came. There was a conversation between my house and Manmeet's house. Then Manmeet and his father told my father that they are ready to take me on three conditions and their condition no. 1 "Writing on paper, I'm not in a good mental state, they are not responsible if I do something to myself." Condition no. 2 "Be prepared to sell house in Pune" But No. 3 "Stop talking to my parents as they teach me" If all the conditions are agreed then they are ready to take me. At that time my father told him that these conditions were not acceptable. After that, Manmeet and his parents, brothers left from there. Manmeet then stopped talking to me. He also invited me to meet him twice. Then I went once to Mumbai and once to Pune to meet him. At that time, when he asked me what I wanted to do, I told him that I didn't want to be with him. Then he threatened me "Tune mere khilaf koi complaint kiya toh, tumko dekh lunga". Then in September 2022 I went to Bangalore for my work. There was also staying in ladies hostel. When Manmeet came to Bangalore to meet me, he also sold me a house there. He started telling me that after selling the house we will divorce and stay single without remarriage. I told him at that time that I don't want to do anything like that. Also I told him not to come to see me again. After that Manmeet started

calling me repeatedly and abusing me. .Also started calling and abusing my parents.Also started abusing by sending messages on WhatsApp.At that time I asked my parents to block his number.On 03/05/2023 I came back to Mumbai from Bangalore.Manmeet again called me. quarreled and started abusing me. So I filed a complaint against my husband Manmeet and his brother Raunak in Chembur Police Station on 17/05/2023. However, from May 2018 to May 2023 I stayed with my husband at B/ 601, Marvel Matrix. , while living at Koregaon Park Annex, Mundwa, Pune, my husband Manmeet Singh aged 32 years abused me physically and mentally by verbally abusing me and beating me with his hands on the grounds that my father paid less money to buy a house and repeatedly demanded money from me. Also had sexual relations with me against my will using sex toys. Also my dir name Raunak 26 years, he tried to get close to me when I was alone at home and talked about me and touched my chest and body and did embarrassing things to me. Also, Manmeet called my parents repeatedly and abused them and threatened to look at me. So I have a complaint against my husband Manmeet Singh and Dir Raunak Singh. My above answer was typed in Marathi on the computer and when I read it, it was correct as I said. is before
